ANNOUNCEMENT: SPRING PUB 2013

SEC-T

We are hereby proud to announce the 2013 SEC-T Spring Pub event

As you know by now, SEC-T is not only about the annual conference in September but also about getting together on a Thursday evening in early spring for a brief chance to listen to some talks, meet your peers and competitors and just geek out talking about tech and security related stuff.

This year is no exception!

We would like to welcome you to an informative evening of good fun, geeky friends and informative lectures. So please mark **Thursday April 18:th 2013 @17:00** in your calendars (and cancel your early morning meetings the day after).

This year we will be housing you at **Södra Bar**.

Don't forget to register for the event! Not only will a limited amount of drinks be free as in 'free beer' (and many more as in 'free speech'), but we will also provide you with food. But *only* if you are among the first 100 people to register. So send us an email to pub2013@sec-t.org and tell us you are coming.

There will be a few openings for *lightning talks* so bring what you have (or even tell us in advance if you want a few minutes on stage).

Also, hone your trivia skills for a chance to win a few of those rare SEC-T-shirts at this year's SEC-T Pub pub-quiz.

To register send email to: pub2013@sec-t.org
